

### **Payment Processing Fees**

Thank you for your desire to financially support our church. Here is a simple breakdown to help you understand what it costs The Grove when you give online and/or through text using Churchteams (our church management system).

#### **Our fees (paid by the church)**

- Bank Draft (ACH) – A simple \$0.39 fee, regardless of the amount given.
- Debit Card – A fee of approximately 1.07% of the total gift.
- Credit Card – A fee of approximately 2.95% of the total gift.

#### **Three examples of a \$100 gift**

- 1) Bank Draft (ACH) – If you gave \$100 using bank draft, we would owe \$0.39 in fees for that transaction, allowing us to keep \$99.61 of your gift.
- 2) Debit Card – If you gave \$100 using your debit card, we would owe 1.07% in fees for that transaction, allowing us to keep \$98.93 of your gift.
- 3) Credit Card – If you gave \$100 using your credit card, we would owe 2.95% in fees for that transaction, allowing us to keep \$97.05 of your gift.

#### **Conclusion**

- Bank Draft (ACH) – If you are giving \$37 or more to our church, it is best to use bank draft due to the simple \$0.39 fee.
- Debit Card – If you are giving \$36 or less to our church, it is best to use a debit card.
- Credit Card – Due to the higher fees associated with credit cards, we encourage you to consider using bank draft (ACH) or a debit card. Doing so will allow us to use more of your gift for ministry and missions.
